

60 YEARS MAKING PILOTS FLY

### Airline Pilot Training In Barcelona

Come to the best place in the world to start your career as a Professional Pilot. *Barcelona Flight School* is an EASA-certified ATO with more than 60 years of experience training Airplane and Helicopter pilots. Best of all, our courses are focused on the needs of our International Students.

### Tailored for the International Student

Our training programs are designed to provide our int'l students with the fastest and safest path towards an ATP license. Besides, in Barcelona you will feel at home. Your stay at this vibrant, cosmopolitan city with a global attitude will make you enjoy every minute while your training lasts.

### The Best Weather, Fleet and Instructors

Quality training demands a lot of resources. We at BFS have a fleet composed by more than 40 aircraft at your disposal, plus an expert team of Ground and Flight Instructors to ensure you make the best out of the fine weather of Barcelona, with more than 300 flyable days per year on average.

### Let us take care of your career

If your dream is becoming an Airline Pilot, let us help you make it real. We will provide accommodation during your stay, will help you find the right financing option according to your needs and, above all, we will make a skilled and qualified pilot out of your motivation and determination. The kind of thorough and varied training provided by BFS is essential nowadays to land a right seat in an airline.

Do not hesitate to ask if you have any special requirement!

### Comprehensive ATP programs

Our ab-initio *Integrated* and *FastTrack* ATPL programs will get you going in the minimum timespan. From zero-time up to your choice of A320 or B737 Type Rating, we can provide everything you may need to apply for an Airline interview in a single package.
